- Customer Experience Optimization
- Retention & Loyalty Analysis
- Net Promoter Score (NPS) Analysis
- Behavioral Pattern Identification
- Demand Forecasting & Pricing Strategy

### **Project & Stakeholder Management**

- Monitoring & Evaluation Frameworks
- Cross-Functional Team Collaboration
- Report Writing & Presentations
- Stakeholder Communication
- Quality Assurance & Data Integrity

### **Technical Proficiency**

- Programming: Python, R
- Data Tools: Excel, CRM Systems, POS Analytics
- Web Technologies: Web Scraping, SEO
- Database Management
- Financial Analysis Software

## **PROFESSIONAL EXPERIENCE**

---

### **Denri Africa | Nairobi, Kenya**

**Customer Analyst** | April 2025 – Present

#### **Customer Data Analysis & Insights:**

- Collect, organize, and analyze customer data from multiple sources including POS, CRM, website analytics, social media, and surveys to drive strategic decision-making
- Identify and segment customers based on demographics, purchasing behavior, and engagement patterns, enabling targeted marketing initiatives
- Implement KYC data verification processes ensuring customer information accuracy and alignment with business requirements
- Monitor customer behavior trends to inform marketing strategies and optimize product offerings
- Design and develop interactive dashboards and reports that translate complex data into actionable insights for sales, marketing, and product teams

#### **Know Your Customer (KYC) & Data Compliance:**

- Develop and implement comprehensive KYC data collection frameworks maintaining a robust customer database
- Verify and validate customer information to enhance data accuracy, security, and reliability
- Ensure full compliance with privacy regulations, data protection laws, and Denri's internal policies
- Collaborate with sales, marketing, and finance teams to ensure accurate customer identification and categorization
- Conduct periodic data audits to maintain database integrity and reliability

#### **Customer Experience & Retention:**

- Analyze repeat purchase patterns and identify key drivers of customer loyalty and churn
- Measure customer satisfaction through surveys, feedback analysis, and Net Promoter Score (NPS) tracking
- Leverage KYC insights to personalize customer journeys and enhance engagement strategies
- Provide data-backed recommendations to improve customer experience and retention rates

---

### **Sales & Marketing Optimization:**

- Track and evaluate marketing campaign effectiveness, promotions, and customer engagement initiatives
- Partner with marketing teams to refine targeted advertising and personalized promotions using KYC-driven insights
- Identify upselling and cross-selling opportunities to maximize customer lifetime value

### **Demand Forecasting & Pricing Support:**

- Analyze sales trends and customer demand patterns to support inventory management and pricing optimization
- Collaborate with production and inventory teams to optimize stock levels based on predictive analytics
- Utilize customer profile data to forecast purchasing behaviors and recommend strategic pricing models

### **Data Management & Reporting:**

- Maintain and update customer databases with verified, accurate information
- Ensure adherence to data privacy, security regulations, and KYC standards
- Generate comprehensive periodic reports with actionable insights for senior management
- Support special projects and initiatives during peak periods and promotional events

### **Fargo Courier | Kenya**

#### **Courier Escort | May 2023 – April 2025**

- Maintained high-level vigilance during transit operations, successfully preventing security incidents and ensuring safe delivery of valuable goods
- Conducted comprehensive risk assessments along delivery routes, implementing proactive security measures
- Coordinated effectively with delivery drivers and dispatchers through clear communication protocols
- Resolved conflicts diplomatically while maintaining professional standards and customer satisfaction
- Ensured full compliance with company policies, legal regulations, and proper handling protocols
- Maintained detailed documentation including delivery logs, incident reports, and proof of delivery records

### **Kenya National Bureau of Statistics | Machakos, Kenya**

#### **Attaché | 2022**

#### **Enumerator | 2019**

- Conducted field surveys and collected high-quality data from households and businesses for national statistical initiatives
  - Performed face-to-face interviews with survey respondents, ensuring data accuracy and reliability
  - Verified and validated collected data through cross-referencing and quality assurance protocols
  - Adhered strictly to survey protocols, ethical guidelines, and confidentiality requirements
  - Maintained comprehensive records of survey activities and reported findings to supervisors
  - Successfully enumerated defined geographic areas, contributing to national census accuracy
-

# EDUCATION

---
